

Annual Online Auction Item Submission Guidelines

The 2021 CfR Online Auction is November 11 -21, 2021.
This is a fun fundraising opportunity with the goal of offering unique and inspiring items that encourage bidding and raise money for our mission!

**Submissions are open NOW for approval! Hard deadline to submit items:
October 30, 2021**

We encourage you to get creative – what would ***you*** want to bid on? Fly fishing items are great! Trips (including condo/home stays), jewelry and artwork are always popular with bidders too.

Item Submission Guidelines:

To submit an item for approval, please email: CfRauction@castingforrecovery.org prior to October 30, 2021. Include a brief description of your item, the retail value + several high-quality photographs.

- Value must be at least \$50.00 per item (this can include bundles!)
- Please do not submit duplicates of the same item.
- Gently used items are allowed upon approval (fly rods, collector's items, etc).
- You may send your items to the Bozeman office prior to the auction, or request to ship items directly to the winning bidder. If you ship directly, be sure to follow the shipping guidelines provided when submitting items.
